## TELLURIDE

This unique development is the latest project created by Homes By Josh Doyle, one of the region's premier custom builders. This is that special place where you can design and build the home you've always dreamed of. Large, oversized lots mean room to enjoy the outdoors in Telluride. Choose from large lots with or without water-front property. All lots are fully developed with all utilities available. Located in Anthony Wayne School district with no income taxes.

**Visit our website for the latest lot availability.**
